

Technical Specification

GBsuper pig. Dark Red

<u>Product Name</u>	: GBsuper pig. Dark Red
Shade	: Dark Red
Chemical class group	: Mono-azo pigment without lake forming

Physical Property

Form :	Powder
Colour :	Red
Odour :	None
pH value:	8.5-9.0
Flammability :	Not flammable
Oxidising properties :	No data
Vapour pressure :	No data
Bulk density :	1.3 g/cm ³
Solubility in water :	Highly dispersible

Field of application : (for water based applications)

Useful for coloring following fields of application.

- Water based paints
- Water based inks
- Building and construction
- Leather
- Paper and pulp
- Detergents
- Artist's colors
- Textile printing
